

## **I Choose!**

God, I choose to see the hope in my CONFLICT. Today, I choose to allow that conflict to turn my eyes to You.

God, I choose to thank you for my CRISIS. I choose to stop fighting You for control of my life. I choose to surrender; I choose to give up!

God, I choose to COMMIT to the process of Your healing change in my life. I give you the good, the bad and the ugly places in me. Come rule in every part of my life.

God, I chose to CONFESS I am my biggest problem. I choose to stop blaming everyone else for my problems and pain. I repent of my pride, my anger, my resentment, my fear, my bitterness, my lies and my manipulation.

God, I choose to embrace Your promise of CHANGE. If I need to limp for the rest of my life, that's okay. I choose to let my weakness reveal Your power. Change me now!

I pray this in Jesus' name, Amen!
